1	Academic activities for current academic session 2023-24.	Dr. R.D. Patidar, the Vice Chancellor, has expressed his apprehensions regarding the academic activities in the current session. During discussions with the team, he highlighted the need for rigorous monitoring of various aspects, including the mentor-mentee scheme, support for slow learners, resources for advanced learners, and the creation and uploading of video lectures to OPJU Moodle. In order to enhance the quality of teaching and learning, he has stressed the importance of implementing value-added courses for each department.	All HODs have to closely monitor the academic activities.
